

Dear Friends of Civic Club,

Thank you for supporting Civic Club by signing up to attend our Aloha Spring Fundraiser Luncheon. You may have heard the Spring Luncheon 2020 has been cancelled to comply with social distancing guidance related to COVID-19.

Civic Club will be making arrangements to return the ticket cost, but if you would like to consider it a donation that would be greatly appreciated. All donations will be used to fund community organizations who have submitted applications for our help. If you would like a refund, please fill out the form below and get it to the member who purchased your ticket. The forms must be in the possession of our Treasurer by April 22.

Again, thanks for your support. Civic Club hopes to see you at our luncheon next year. May we all stay healthy!
