

Dear Civic Club Member:

The Spring luncheon committee hopes this message finds you well and safe. You may have heard the Spring luncheon 2020 has been cancelled to comply with social distancing guidance related to COVID-19.

As you know we use the luncheon proceeds to fund many worthy community recipients. The Civic Club will refund members the cost of the ticket(s) purchased. Some Civic Club members have expressed interest in donating the cost of the ticket. We also recognize that some have purchased multiple tickets. Therefore, we would like to offer you one of the following choices:

1. Full ticket cost donation
2. Full ticket cost refund
3. Partial ticket cost refund

Please fill out the form below by April 22 **only** if you would like a full or partial refund. If we don't hear from you by April 22nd then we will consider it a donation. If you have not yet purchased a ticket or would like to make an additional donation, the committee would be grateful.

Again, thank you! We're looking forward to next year's luncheon. May we all stay healthy!
